

IDRC Annual Trophies

What there presented for...

All members of the club including committee are eligible for all the trophies providing they have paid/taken part in the event. Other than one, this is a thank you from the committee to the most helpful non-committee member.

(Just a note - Committee members DO NOT have to be at all the events, only the committee member that is organising the event, so if a committee member 'pays' to take part, they are then eligible for the points towards the trophies).

All the trophies were sponsored, so thank you very much too all the sponsors.
